

## MIDWAY REGIONAL AIRPORT (JWY) T-HANGAR WAITING LIST POLICY

The T-Hangar waiting list policy is designed to provide a simple and fair process for aircraft owners to be placed on a waiting list for hangars at Midway Regional Airport. The Airport currently owns and leases approximately 70 aircraft storage hangars. The hangar units come in varying sizes but are basically labeled and priced t-hangar, box hangar, and large box hangar. All hangar storage is available on a first-come, first-serve basis, and because demand is often greater than availability, it is mandatory to be on the waiting list in order to be assigned a hangar to lease. Airport policy is to process the waiting lists by date (and time if necessary) that the application was submitted. Hangars will be assigned in that order. All waiting lists are available for review in the Airport Operations Office during normal business hours (8:00 a.m. to 4:30 p.m.)

### Hangar Sizes and Descriptions:

The hangar units have various amenities and features. Some have been improved over the years to include drywall or painted floors, others have not. The sizes of the available hangars are:

T-hangar        39' x 33'    \$255.00 per/month

T-hangar        47' x 33'    \$300.00 per/month

T-hangar        45' x 39'    \$388.00 per/month

Box hangar. - 3111 sq. ft.    \$774.00 per/month

Box hangar - 4225 sq. ft. – sprinkled, powered doors, maintenance allowed - \$1,545.00  
Per/month

Box hangar - 4620 sq. ft – powered doors - \$900.00 per/month

Box hangars have individual water or electrical meters, and are charged individually for their use.

*\* Current as of July 1, 2017. Rates are subject to change.*

### Application Procedure:

All parties interested in a Hangar must complete the attached waiting list application form with a current mailing address, telephone numbers, email address, and aircraft information. If a partnership or corporation is intending to be the lessee, all partners' names and/or the corporate

name shall be listed on the application. Waiting list applicants are also required to select the size or category of hangar needed as identified on the waiting list application.

The Airport Board reserves the right to give consideration to applicants who have larger aircraft when larger hangars become available. It is therefore possible that someone lower on the list with a larger aircraft may be placed ahead of someone in order to maximize the hangar use.

A deposit is required for all waiting list applicants. The deposit is \$25 and will be applied to the first month's rental payment once the applicant is placed in a hangar. All notification correspondence will be accomplished via phone or email first and by U. S. mail. It is the applicant's responsibility to provide a notice of telephone number, address or email changes.

#### **Notices of Availability/Acceptance:**

- When a hangar becomes available, the individuals at the top of the appropriate waiting list will receive notification of availability. They must then accept the hangar by entering into a "Hangar Rental Agreement" with Midway Regional Airport.
  - After five (5) business days from notification attempt, with no response from the applicant, the hangar will be offered to the next applicant on the hangar waiting list.
  - Within three (3) business days of contact, the applicant must respond and enter into a "Hangar Rental Agreement", or their application will be removed from the waiting list with no further rights to hangar storage under the current application.
  - If the applicant responds later than five business days to the notification, and the hangar has not already been assigned, they may accept the hangar by entering into a "T-Hangar Rental Agreement"
- or
- Opt to remain on the waiting list in the same order. A second opt out will place the applicant on the bottom of the list. A third opt out will remove the applicant from the list and the deposit will be forfeited.

A written request with the Airport is required for all withdrawals from the waiting list. If the applicant withdraws from the list prior to being offered a hangar, the deposit will be refunded.

There will be no deposit refund in the event that a hangar is offered and the applicant withdraws from consideration, or if an applicant fails to notify within five (5) business days. In this case the entire deposit will be forfeited to cover administrative costs. Prior to any applicant being removed from the list, Airport will attempt at least two (2) means of contacting the applicant.

When the applicant accepts a hangar assignment, they will be required to show proof of ownership or lease of the aircraft that will occupy the hangar and sign a Hangar Rental Agreement. If the applicant does not own an aircraft at the time of the assignment, they will be given sixty (60) days to provide satisfactory documentation of ownership or will forfeit the hangar assignment. The aircraft must be based at Mid-Way Regional Airport.

*I have read, understand, and agree to comply with the policy governing the waiting list for aircraft hangar rentals at Midway Regional Airport.*

*As required by the waiting list policy, I have enclosed a \$25 deposit. I understand that this will be applied to my first month's rental payment when I am eligible for a hangar. I further understand that I will forfeit this deposit if I fail to notify within five (5) business days, or if I am offered the hangar and then withdraw from consideration, or if I opt out from hangar availability for a third time after the opportunity is presented. If the applicant withdraws from the list prior to being offered a hangar, the deposit will be refunded. A written request with the airport is required for all withdrawals from the waiting list.*
